THE PACK

Shamira is considered an outcast by most, but little do they know that Shamira is on a mission. Kids on Mars are disappearing, but Shamira decides to use the criminals most unlikely weapons against them, the very kids of which they have captured.

Aug 2010

EXPLORER X - Alpha

For most kids, a trip to space camp is a trip of a lifetime, for Aadi it was life altering. After receiving a camp immunization needed for travel to Mars, Aadi finds that the immunization is the catalyst of an insidious experiment.
